

Independent Auditor's Review Report on the Unaudited Quarterly and Year to Date Standalone Financial Results of VISA Steel Limited pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To,
The Board of Directors,
VISA Steel Limited
VISA HOUSE
8/10 Alipore Road
Kolkata – 700 027

We have reviewed the accompanying statement of unaudited standalone financial results of M/s. VISA Steel
Limited ('the Company') for the quarter ended December 31, 2021 and year to date results for the period
from April 1, 2021 to December 31, 2021 together with notes thereon (herein after referred to as 'the
Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation
33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Regulation) as amended.

Management's Responsibility for the standalone financial results

2. This Statement is the responsibility of the Company's Management and is approved by the Board of Directors in their meeting held on February 14, 2022. Our responsibility is to issue a report on the Statement based on our review.

Auditor's Responsibility

3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", specified under section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to enquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

4. We draw attention to Note 4 of the accompanying statement with regard to non-recognition of interest expense on the borrowings of the Company. The accumulated interest not provided as on December 31, 2021 is Rs.8,176.55 million (including Rs.1,459.69 million for FY 2016-17, Rs.1,552.29 million for FY 2017-18, Rs.1,465.46 million for FY 2018-19, Rs.1,443.39 million for FY 2019-20, Rs.1,286.83 million for FY 2020-21, Rs.327.64 million and Rs.968.89 million for the quarter ended December 31, 2021 and year to date period from April 1, 2021 to December 31, 2021 respectively) which is not in accordance with the requirement of Ind AS 23: 'Borrowing Cost' read with Ind AS 109: 'Financial Instruments'.

Had the aforesaid interest expense been recognized, finance cost for the quarter and nine months ended December 31, 2021 would have been Rs.389.72 million and Rs.1,146.14 million instead of the reported amount of Rs.62.08 million and Rs.177.25 million respectively. Total expenses for the quarter and nine months ended December 31, 2021 would have been Rs.2,419.04 million and Rs. 6,592.99 million instead of the reported amount of Rs. 2,091.40 million and Rs. 5,624.10 million respectively. Net loss after tax for the

quarter and nine months ended December 31, 2021 would have been Rs.453.23 million and Rs.1,418.69 million instead of the reported amount of Rs.125.59 million and Rs.449.81 million respectively. Total Comprehensive Income for the quarter and nine months ended December 31, 2021 would have been Rs.(456.45) million and Rs.(1,428.35) million instead of the reported amount of Rs.(128.81) million and Rs.(459.47) million, Loss per share for the quarter and nine months ended December 31, 2021 would have been Rs.3.91 and Rs.12.25 instead of the reported amount of Rs.1.08 and Rs.3.88 respectively.

The above reported interest has been calculated using Simple Interest rate.

Qualified Conclusion

5. Based on our review conducted as above, except for the matter described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Regulation, as amended, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw your attention to the following matters:

a) Material Uncertainty Relating to Going Concern

We draw attention to Note - 3 and 6 to the standalone financial results regarding the preparation of the statement on a going concern basis, for the reason stated therein. The Company has accumulated losses and has also incurred losses during the quarter ended December 31, 2021 and year to date for the period from April 1, 2021 to December 31, 2021. As on date, the Company's current liabilities are substantially higher than its current assets and the Company's net worth has also been fully eroded.

State Bank of India (SBI), a financial creditor, had filed an application before Hon'ble National Company Law Tribunal (NCLT) for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code (IBC), which was dismissed by NCLT. SBI preferred an appeal before Hon'ble National Company Law Appellate Tribunal (NCLAT) New Delhi which has directed the NCLT, to restore the application and proceed further in accordance with law. The order of NCLAT has been challenged by the Company in the Hon'ble Supreme Court by way of a Civil Appeal and the same has been admitted on 9 September 2021. Oriental Bank of Commerce, since merged with Punjab National Bank, has also filed an application before NCLT for initiating CIRP under IBC against the Company.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore it may be unable to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. All the assets including non-current assets and liabilities are still being carried at their book value except Capital Work in Progress which has been restated at its recoverable value in the previous year. The appropriateness of assumption of going concern, and evaluation of recoverable value of its non-current assets is critically dependent upon the debt resolution of the Company which is under process, the Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the Company to continue as a going concern is solely dependent on the successful outcome of these conditions, which are not wholly within the control of the Company.

Chartered Accountants

.....contd.

The Management of the Company has prepared the statement on a going concern basis based on their assessment of the successful outcome of the debt resolution which will enhance the Company's viability.

b) Refer Note 5 to the Statement regarding accounting for transfer of Special Steel Undertaking, pursuant to the Scheme of Arrangement ("the scheme") approved by the Hon'ble National Company Law Tribunal vide its order dated July 8, 2019, all the assets and liabilities of the Special Steel Undertaking of VISA Steel Limited ("transferor Company") has been transferred to and vested in VISA Special Steel Limited, (a wholly owned step down subsidiary) ("VSSL" or "transferee Company") on a going concern basis from April 1, 2013 being the appointed date. Effective date of the scheme is July 13, 2019 being the date on which certified copy of the order sanctioning the said scheme is filed with the Registrar of Companies, Cuttack.

On January 17, 2020, Hon'ble Supreme Court of India vide its ex-parte order in Civil Appeal No. 56 of 2020 filed by State Bank of India, has ordered issuance of notice and in the meanwhile stayed the aforesaid NCLT Order. The NCLT Order had been given effect to and stood implemented by the Company prior to January 17, 2020.

To give the impact of the NCLT Order, the Standalone Financial Statement of the Company and VSSL for the year ended March 31, 2019 were revised and the same were approved by the Board of Directors in their respective meetings held on October 18, 2019 and audited by us on which we have issued our audit report dated October 18, 2019 and same were approved by the members in their meeting held on December 23, 2019. In compliance to the NCLT Order, the Company has transferred various income, expenses, assets and liabilities related to Special Steel Undertaking to VSSL from 1st April 2013 resulting in accumulated receivable of Rs.3,917.46 million from VSSL as on December 31, 2021 (March 31, 2021: Rs.3,776.91 million). Since the matter is pending with Hon'ble Supreme Court, the impact of the NCLT Order considered as above on financial statements including aforesaid receivable from a subsidiary VSSL is dependent on the final judgment of the Hon'ble Supreme Court.

Our conclusion is not qualified in respect of the above matters.
