

Independent Auditor's Report on Unaudited Quarterly Standalone Financial Results of VISA Steel Limited pursuant to regulation 33 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015.

To,
The Board of Directors,
VISA Steel Limited
VISA HOUSE
8/10 Alipore Road
Kolkata – 700 027

1. We have reviewed the accompanying statement of unaudited standalone financial results of **VISA Steel Limited** ('the Company') for the quarter ended June 30, 2024 together with notes thereon (herein after referred to as 'the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Regulation) as amended.

Management's Responsibility for the standalone financial results

2. This Statement is the responsibility of the Company's Management and approved by the Board of Directors in their meeting held on August 14, 2024. Our responsibility is to express a conclusion on the Statement based on our review.

Auditor's Responsibility

3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion

4. We draw attention to Note 5 of the accompanying statement with regard to non-recognition of interest expense on the borrowings of the Company. The accumulated interest not provided as on June 30, 2024 is Rs.12,043.96 million (including Rs.1,459.69 million for FY 2016-17, Rs.1,552.29 million for FY 2017-18, Rs.1,465.46 million for FY 2018-19, Rs.1,443.39 million for FY 2019-20, Rs.1,286.83 million for FY 2020-21, Rs.1,289.27 million for FY 2021-22, Rs.1,404.62 million for FY 2022-23, Rs.1,743.58 million for FY 2023-24 and Rs.398.83 million for the quarter ended June 30, 2024 respectively) which is not in accordance with the requirement of Ind AS 23: 'Borrowing Cost' read with Ind AS 109: 'Financial Instruments'.

Had the aforesaid interest expense been recognized, finance cost for the quarter ended June 30, 2024 would have been Rs.473.13 million instead of the reported amount of Rs.74.30 million. Total expenses for the quarter ended June 30, 2024 would have been Rs.1,817.62 million instead of the reported amount of Rs.1,418.79 million. Net loss after tax for the quarter ended June 30, 2024 would have been Rs.467.97 million instead of the reported amount of Rs.69.14 million. Total Comprehensive Income for the quarter ended June 30, 2024 would have been Rs. (468.21) million instead of the reported amount of Rs.(69.38) million. Loss per share for the quarter ended June 30, 2024 would have been Rs.4.04 instead of the reported amount of Rs.0.60.

The above reported interest has been calculated using Simple Interest rate.

Qualified Conclusion

5. Based on our review conducted as above, except for the matter described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of the Regulation, as amended, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. **We draw your attention to the following matters:**

a) Material Uncertainty Relating to Going Concern

We draw attention to Note - 4 and 6 to the unaudited standalone financial results regarding the preparation of the statement on a going concern basis, for the reason stated therein. The Company has accumulated losses and has also incurred losses during the quarter ended June 30, 2024. As on date, the Company's current liabilities are substantially higher than its current assets and the Company's net worth has also been fully eroded.

Further, State Bank of India (SBI), a financial creditor had filed an application before National Company Law Tribunal (NCLT) Kolkata Bench for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code (IBC), which was dismissed by NCLT, Cuttack Bench. SBI preferred an appeal before National Company Law Appellate Tribunal (NCLAT) New Delhi which has directed the NCLT Cuttack Bench to restore the application and proceed further in accordance with law. The order of NCLAT has been challenged by the Company in the Hon'ble Supreme Court by way of a Civil Appeal and the same has been admitted on 9 September 2021. On 7 November 2022, Hon'ble Supreme Court passed an Order to the effect that NCLT may continue to hear the application filed by SBI but the same may not be given effect till the next date of hearing before Hon'ble Supreme Court, and the matter is pending. Oriental Bank of Commerce, since merged with Punjab National Bank (PNB), had also filed an application for initiating CIRP under IBC which was admitted vide NCLT order dated 28 November 2022 and an Interim Resolution Professional had been appointed. The NCLT order has been challenged before NCLAT and the matter is pending. Meanwhile, Hon'ble Orissa High Court has stayed the operation of the NCLT order dated 28 November 2022. SBI and PNB have since assigned their respective debts to Assets Care and Reconstruction Enterprise Limited (ACRE) and ACRE has filled substitution application in the matter.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern and therefore it may be unable to realise its assets and discharge its liabilities including potential liabilities in the normal course of business. All the assets including non-current assets and liabilities are still being carried at their book value except Capital Work in Progress which has been restated at its recoverable value in the earlier year(s). The appropriateness of assumption of going concern, and evaluation of recoverable value of its non-current assets is critically dependent upon the debt resolution of the Company which is under process, the Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the Company to continue as a going concern is solely dependent on the successful outcome of these conditions, which are not wholly within the control of the Company.

The Management of the Company has prepared the statement on going concern basis based on their assessment of the successful outcome of the debt resolution which will enhance the Company's viability till then the Company's operations continue under conversion arrangement.

Our conclusion is not qualified in respect of above matter.

Other Matter

7. The figures for the quarter ended March 31, 2024 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Our conclusion is not qualified in respect of above matter.

Independent Auditor's Report on Unaudited Quarterly Consolidated Financial Results of VISA Steel Limited pursuant to regulation 33 of SEBI (Listing Obligation and Disclosure Requirement) Regulation 2015, as amended.

To,
The Board of Directors,
VISA Steel Limited
VISA HOUSE
8/10 Alipore Road
Kolkata –700 027

1. We have reviewed the accompanying unaudited consolidated financial results of **VISA Steel Limited** (hereinafter referred to as the "Parent Company") and its subsidiary (the Parent Company and its subsidiary together referred to as "the Group"), and its joint venture (refer Paragraph 6 for the list of subsidiary and joint venture included in the statement) for the quarter ended June 30, 2024 together with notes thereon (herein after referred to as 'the Statement'), attached herewith, being submitted by the Parent Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation') as amended.

Management's Responsibility for the consolidated financial results

2. This Statement is the responsibility of the Parent Company's Management and approved by the Parent Company's Board of Directors in their meeting held on August 14, 2024. Our responsibility is to express a conclusion on the Statement based on our review.

Auditor's Responsibility

3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," issued by Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of the Regulations, as amended, to the extent applicable.

Basis of Qualified Conclusion

4. We draw attention to Note 6 of the accompanying statement with regard to non-recognition of interest expense on the borrowings of the Parent Company. The accumulated interest not provided as on June 30, 2024 is Rs.12,043.96 million (including Rs.1,459.69 million for FY 2016-17, Rs.1,552.29 million for FY 2017-18, Rs.1,465.46 million for FY 2018-19, Rs.1,443.39 million for FY 2019-20, Rs.1,286.83 million for FY 2020-21, Rs.1,289.27 million for FY 2021-22, Rs.1,404.62 million for FY 2022-23, Rs.1,743.58 million for FY 2023-24 and Rs.398.83 million for the quarter ended June 30, 2024 respectively) which is not in accordance with the requirement of Ind AS 23: 'Borrowing Cost' read with Ind AS 109: 'Financial Instruments'.

Had the aforesaid interest expense been recognized, finance cost for the quarter ended June 30, 2024 would have been Rs.473.13 million instead of the reported amount of Rs.74.30 million. Total expenses for the quarter ended June 30, 2024 would have been Rs.1,817.62 million instead of the reported amount of Rs.1,418.79 million. Net loss after tax for the quarter ended June 30, 2024 would have been Rs.467.98 million instead of the reported amount of Rs.69.15 million. Total Comprehensive Income for the quarter ended June 30, 2024 would have been Rs. (468.22) million instead of the reported amount of Rs. (69.39) million. Loss per share for the quarter ended June 30, 2024 would have been Rs.4.04 instead of the reported amount of Rs.0.60.

The above reported interest has been calculated using Simple Interest rate.

Qualified Conclusion

5. Based on our review conducted as above, except for the matter described in the Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation, as amended, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. The statement includes the results of the following entities:

Subsidiary Company

- a) Kalinganagar Chrome Private Limited (KCPL)

Joint Venture

- b) VISA Urban Infra Limited

7. **We draw attention to the following matters:**

a) Material Uncertainty Relating to Going Concern

Refer Note 5 and 7 to the unaudited consolidated financial results regarding the preparation of the consolidated financial results on a going concern basis, for the reason stated therein. The Parent Company has accumulated losses and has also incurred losses during the quarter ended June 30, 2024. As on June 30, 2024, the Parent Company's current liabilities are substantially higher than its current assets and their net worth has also been fully eroded.

Further, State Bank of India (SBI), a financial creditor, had filed an application before National Company Law Tribunal (NCLT) for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code (IBC) against the Parent Company, which was dismissed by NCLT, Cuttack bench. SBI preferred an appeal before National Company Law Appellate Tribunal (NCLAT) New Delhi, which had directed the NCLT Cuttack bench to restore the application and proceed further in accordance with law. The order of NCLAT had been challenged by the Parent Company in the Hon'ble Supreme Court by way of a Civil Appeal and the same had been admitted on 9 September 2021. On 7 November 2022, Hon'ble Supreme Court passed an Order to the effect that NCLT may continue to hear the application filed by SBI but the same may not be given effect till the next date of hearing before Hon'ble Supreme Court, and the matter is pending. Oriental Bank of Commerce, since merged with Punjab National Bank (PNB), had also filed an application before NCLT for initiating CIRP under IBC against the Parent Company which was admitted by NCLT vide order dated 28 November 2022 and an Interim Resolution Professional had been appointed. The NCLT order has been challenged by the Parent Company before NCLAT and the matter is pending. Meanwhile, Hon'ble Orissa High Court has stayed the operation of the NCLT order dated 28 November 2022. SBI and PNB have since assigned their respective debts to Assets Care and Reconstruction Enterprise Limited (ACRE) and ACRE has filed substitution application in the matter.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Parent Company's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities including potential liabilities in the normal course of business. All the assets including non-current assets and liabilities of the Parent Company are still being carried at their book value except in respect of Capital Work in Progress of the Parent Company which has been restated at its recoverable value in the earlier year(s). The appropriateness of assumption of going concern, and evaluation of recoverable value of non-current assets of the Parent Company is critically dependent upon the debt resolution of the Parent Company which is under process, the Parent Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the Group to continue as a going concern is solely dependent on the successful outcome of these conditions, which are not wholly within the control of the Group.

The Management of the Parent Company has prepared the statement on a going concern basis based on their assessment of the successful outcome of the debt resolution which will enhance the Parent Company's viability, till then the operation of the Parent Company continue under the conversion arrangement.

Our conclusion is not qualified in respect of above matter.

- 1 The above unaudited consolidated financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Parent Company at their respective meetings held on 14 August 2024. The Statutory Auditors have conducted the limited review of the above consolidated unaudited financial results.
- 2 The consolidated unaudited financial results of VISA Steel Limited ("the Company" or "the Parent") and its subsidiary ("the Group"), together with its joint venture for the quarter ended 30 June 2024, have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules thereafter.
- 3 As on 30 June 2024, VISA Steel Group ("the Group") comprises the Parent Company i.e. VISA Steel Limited, its one subsidiary and one Joint Venture Company.
- 4 The Group is in the business of Ferro Alloys and hence has only one reportable operating segment as per Ind AS 108 "Operating Segments".
- 5 The Parent Company has incurred net loss during the quarter ended 30 June 2024 which has adversely impacted the net worth of the Parent Company. The Parent Company's financial performance has been adversely affected due to non-availability of working capital for operations, and other external factors beyond the Parent Company's control. It is expected that the overall financial health of the Parent Company would improve after debt resolution and improvement in availability of working capital. Accordingly, the Parent Company has prepared the financial results on the basis of going concern assumption. The statutory auditors have also drawn attention to the above matter without qualifying their conclusion in their Review Report.
- 6 The secured debt of the Parent Company have been categorised as Non-Performing Assets (NPA) by the lenders effective 11 July 2012 and accordingly, the Parent Company has stopped providing further interest in its books effective 1 April 2016. The amount of interest expenses not provided for is estimated at Rs. 398.83 Million for the quarter ended 30 June 2024 and the accumulated interest not provided as on 30 June 2024 is estimated at Rs. 12,043.96 Million. The statutory auditors have qualified their Review Report in respect of this matter.
- 7 SBI had filed an application before Hon'ble National Company Law Tribunal (NCLT) for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code (IBC) against the Parent Company, which was dismissed by NCLT, Cuttack Bench. SBI preferred an appeal before Hon'ble National Company Law Appellate Tribunal (NCLAT) New Delhi which had directed NCLT to restore the application and proceed further in accordance with law. The order of NCLAT had been challenged by the Parent Company in the Hon'ble Supreme Court by way of a Civil Appeal and the same had been admitted on 9 September 2021. On 7 November 2022, Hon'ble Supreme Court passed an Order to the effect that NCLT may continue to hear the application filed by SBI but the same may not be given effect till the next date of hearing before Hon'ble Supreme Court, and the matter is pending. Oriental Bank of Commerce, since merged with Punjab National Bank (PNB), had also filed an application for initiating CIRP under IBC which was admitted vide NCLT order dated 28 November 2022 and an Interim Resolution Professional had been appointed. The NCLT order has been challenged before NCLAT and the matter is pending. Meanwhile, Hon'ble Orissa High Court has stayed the operation of the NCLT order dated 28 November 2022. SBI and PNB have since assigned their debt to Assets Care & Reconstruction Enterprise Limited (ACRE) and consequently, ACRE has filed Substitution Application in the matter. Majority of the lenders have assigned their debts to ACRE, consequently more than 90% of the debt has been assigned to ACRE.
- 8 Revenue from Operations includes reimbursement towards materials at actuals, wherever applicable, used under conversion arrangement and hence is not comparable.
- 9 The figures for the quarter ended 31 March 2024 are balancing figures between the audited figures in respect of financial year ended 31 March 2024 and the unaudited published figures up to nine months ended 31 December 2023.
